

29 November 1977

MEMORANDUM FOR: Director of Central Intelligence

FROM:

[REDACTED]

SUBJECT:

Presidential Briefing Item  
for 6 December 1977

[REDACTED]

25X1A

Enclosed is a paper Maurice Ernst has done on the Soviet Oil Estimate. Although the paper is too detailed and not in briefing format, I thought you would want to see it before the NIO Meeting on this same subject tomorrow at 1500.
